## Presentation of our range

We take pleasure to present you our frozen products range.

The  label is declined in several savours:

- Oufti banana,
- Oufti ananas,
- Oufti apple,
- Oufti strawberry with milk chocolate,
- Oufti strawberry with white chocolate,
- Oufti strawberry with dark chocolate.

The principe: pieces of frozen fruits coated with chocolate conditioned by seven and/of five in a single case!

The  label: a set of frozen pieces of strawberries coated with chocolate conditioned by 16 in a square case.

The  label: a stick with frozen pieces of bananas and pineapples coated with milk chocolate.

**NEW** the objective is to provide a healthy product by associating the best ingrédients.

**NATURALNESS** by maintaining the fruit wholefirst, we are able to benefit from the nutritional properties of fruits.

### A FUN CONCEPTION

Given the quality of its ingrédients (carrefully selected quality fruits and well-known Belgian chocolate) and the absence of colouring, additive or preservative, it is a nutritional and delicious dessert wich contains all the vitamins and mineral of fresh fruit.

**This product does not contain preservative or colouring or artificial flavours.**
